

The Power of Choice

Powerlite™ Furie

4J of green
Multi-mode resonator
High M^2 value (~30)
Low coherence length

New!

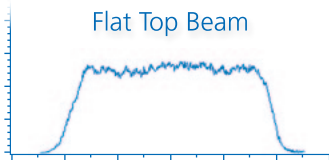

Powerlite™ Furie LD

5J of green
Gaussian coupled resonator
Low M^2 value (~3)
High coherence length

High Divergence Beam

Flat Top Beam

Applications

Flat Field Illumination
Ti:Sapphire Pumping
Material Processing

Low Divergence Beam

Gaussian Coupled Beam

Applications

Harmonic Generation
Ranging
LIDAR
Material Processing
